29	Achieving Professional Excellence
30	Achieving Academic Excellence

Field Observations

Area to be visited
Hospital Tour
Aurolab visit
Vision Center Visit
Camp Visit
Eyebank Observation
Operation Theatre Observation
Ward Observation
Free Hospital
Camp Hospital
Optical Department
Medical department
Speciality observation
Neuro Clinic
Catract Clinic
Paedictric Clinic
Low vision Clinic
Retina Clinic
UVEA Clinic
Orbit Clinic
Glaucoma Clinic
Cornea Clinic

Content	Page No.
Clinical Observation	10
Observations of Camp Visit	1
Camp Hospital Observation	1
Free Hospital Observation	1
Observations of Vision Center Visit	1
Feed back about Class room session	15
Feedback about Aurolab visit	1
Feedback about EMR Practice	1
Feedback about Spoken Tamil Class	4
Assignments	73
Based on General OP Observation	
Based on Vision Center Visit	
Based on General Hospital Observation	

Clinical Observation	
Name of the clinic:	
Date:	
Resource Person:	
Clinical Observations	
work load of the clinic	
surgical volume of the clinic	
profile of the patients coming to the speciality	
Common Indications	
Procedures and Investigations carried out in the clinic	

Studies undertaken in the clinic
On -going research and Papers published in the last year
Challenges in Patient care
General Observations
Suggestions / Remarks
Feedback about the trainer

Camp Visit				
Date of visit				
Place of Camp				
Type of Camp				
Distance from Base hospital				
Details of the Sponsor				
	Planned	Actual	Reason for delay / early pack up	
Depature time from hospital				
Patient load	Expected	Actual	Reason for the variance	
OP				
IP				
	Nos	Remark		
Speciality Advised				
Surgery Advised				
Systemic Drop out				
Not Willing				
GP Advised				
GP Ordered				
	Excess	Adequate	Deficit	Remarks
No of members in the Camp team				
	Excellent	Good	Need improvement	Remarks
Crowd management in Camp Place				
Arrangements by the sponsor				
Transport Facility for the patients				
Food & drinking water facility to patients				
Details about	Name		Designation	
Camp Organizer				
Doctor incharge				
MLOP Incharge				
Overall Feedback about the camp				

Camp Hospital Observation

Date:

Resource Person:

Clinical Observations	
Surgical volume of the day	
No of Systemic Drop out	
Waiting for Physician opinion	
Waiting for Speciality opinion	
Expected surgical volume for the week	
General Observations	
Challenges in Patient care	
Suggestions / Remarks	
Feedback about the trainer	

Free Hospital Observation	
Date:	
Resource Person:	
Clinical Observations	
work load of Free Hospital	
surgical volume per day	
profile of the patients	
Common Indications for speciality reference	
Procedures and Investigations carried out in Free Hospital	

Challenges in Patient care
General Observations
Suggestions / Remarks
Feedback about the trainer

Vision Center Visit	
Date of visit	
Resource Person:	
Place of Center	
Distance from Base hospital	
Patient load in the last week	
Referred to Base Hospital	
Registered in Base Hospital	
No of GP Advised	
No of GP Ordered	
No of Medication	
No. of Villages covered	
Total population covered by the VC	
Clinical Observations	
General Observations	
Suggestions / Remarks	
Feedback about the trainer
